KMCB Announces 4th Annual Growing Green Plant Sale

*Montgomery County Precinct 2 Recycling Center
April 14, 2012 10 am to 2 pm*

Magnolia, Texas - March 25, 2012 - Keep Montgomery County Beautiful will hold its 4th Annual Growing Green Plant Sale on April 14th at the Montgomery County Precinct 2 Recycling Center located at 31354 Friendship Drive, Magnolia Texas from 10 am until 2 pm.

The plant sale is designed to raise money to provide grants to groups doing beautification projects and to increase awareness of recycling and the value of native plants. Each 1-gallon plant costs \$10 and \$6.75 of each plant sold goes to KMCB's grant program (and is tax deductible). Combine trips by picking up your plants when you bring your recycling to the center.

Each year KMCB has a local nursery grow a native plant for this sale. This year New Leaf Nursery in Cypress assisted with choosing and growing the plant. The Pavonia lasiopetala (Texas Rock Rose) was chosen this year because of its unique beauty and the fact that it is drought and deer resistant (no promises about the deer!). It will grow in full or partial sun and blooms throughout the summer until fall.

Supplies are limited and pre-orders are being accepted now. The order form is available on the KMCB website. [2012 Plant Order Form](#)

Keep Montgomery County Beautiful (KMCB)

is a grassroots, non-profit organization dedicated to providing a network for and resources to organizations in Montgomery County who are committed to the beautification and improvement of our county's natural resources.
