

MALCOLM PURVIS MAGNOLIA LIBRARY BEAUTIFICATION PROJECT

Keep Montgomery County Beautiful is working with a volunteer landscape designer, Girl Scouts, the Precinct Two County Commissioner and the Magnolia Library to design and install landscaping in front of the library.

The design will include native trees and perennial plants with other landscaping features to beautify the grassy areas in front of the library, providing much needed shade and beautification. A Girl Scout Planning Board of five older girls, the volunteer landscape designer and KMCB volunteers have begun work on planning – including promotion and identification of resources needed to accomplish this ambitious project.

Installation is planned for mid to late fall, 2015. The next planning meeting is scheduled for August 13th at 1 pm at the Magnolia Library.
